

In die Transvaal is wetgewing onlangs afgekondig dat geen bobbejaanspinnekoppe sonder 'n permit aangehou mag word nie, vir watter rede ook al. Die spinnekoppe is baie gesog as troeteldiere en word om die rede in groot getalle gevang en teen hoë pryse te koop aangebied.

SPINNEKOP-KLUB

Enige persoon wat in spinnekoppe belangstel, kan by die **Spinnekop-klub van suidelike Afrika** aansluit. 'n Kwartaallikse nuusbrief word uitgegee en uitstappies word gereël. Skryf gerus aan:

AMERICAN ENTOMOLOGIST VISITS MUSEUM

Dr Bob Kimsey, a medical entomologist from the University of California, Davis, paid a brief visit to the Department of Entomology in January. He represented the R.M. Bohart Museum of

Entomology and whilst in Bloemfontein future cooperation and specimen exchange between the two museums were discussed.
