## INFORMATION FOR AUTHORS

---

### General considerations for publication

Papers submitted to *Acta Academica* will only be considered for possible publication if the author(s) have certified in writing that the paper in question is not under consideration by another journal, and will not be submitted to such a journal until and unless a final, written rejection decision from the present journal has been received.

Papers submitted to the journal must ensure that the existing relevant literature is appropriately and fairly cited; in this respect, efforts should always be made to ensure that reference is made to the first report of a finding or conceptual insight rather than a later elaboration.

The journal indicates in all cases the date of reception of the manuscript and the date of acceptance by peer review.

### Practical considerations

Word length of manuscripts should be 5000-8000 words including notes and references with an abstract of up to 150 words and five key words. Authors should supply a biography of 50-100 words.

A coversheet should accompany the manuscript providing full name, institutional address, email address, telephone and fax numbers - also the address where proofs and offprints should be sent if different from the above.

Authors should allow three months for consideration of their paper, but upon acceptance, they will be asked to make any

necessary corrections and submit a final hard copy as well as an electronic copy.

Titles and section headings should be clear and brief. Lengthy quotations (exceeding 40 words) should be displayed, indented, in the text. Essential notes should be indicated by superscript numbers in the text and collected on a single page at the end of the text.

### Reference style

*Acta Academica* adheres to an adapted Harvard reference style. Please note the following:

References cited in the text should read: Arendt (1958: 63-4); Brown and Smith (1984, 1989). Use 'et al.' when citing a work by more than two authors. The letters a, b, c, etc. should be used to distinguish citations of different works by the same author in the same year. All references cited in the text should be listed alphabetically and presented in full after the notes, using the following style. Books: Laclau E and Mouffe C (1985) *Hegemony and Socialist Strategy: Towards a Radical Democratic Politics*. Trans. W Moore and P Cammack. Verso: London. Articles: Coetzee JM (1991) *The mind of apartheid: Geoffrey Cronje (1907-)*. *Social Dynamics: A journal of African studies* 17(1): 1-35. Articles in books: Dubow S (1987) *Race, civilisation and culture: the elaboration of segregationist discourse in the inter-war years*. In: Marks S and Stanley T (eds.) *The Politics of Race, Class and Nationalism in Twentieth Century South Africa*. London: Longman Inc, pp. 71-94.
